REGISTER NOW TO ATTEND, EXHIBIT, FOOD SPONSOR AND/OR PRESENT!

**THE MIDWEST SOCIETY FOR TRENCHLESS TECHNOLOGY (MSTT)
(A Non-Profit Corporation),**

Wishes to Announce!

The Trenchless Technology Seminar

"TRENCHLESS TECHNOLOGY, SSES AND BURIED ASSET MANAGEMENT"

GUEST PRESENTER: We plan to have a Guest Presenter from Kansas City to tell us about the Trenchless Technology, SSES and Buried Asset Management in the area.

CO-SPONSORS: Plans are to have ASCE and APWA to be the co-sponsors.

DATE: Wednesday, March 11, 2020 from 8:00 am to 5:00 pm promptly.

VENUE AND HOTEL ROOM COST: Venue to be announced soon.

SEMINAR REGISTRATION FEES AND COST: All the fees below include the seminar classroom, exhibit hall, program materials, breakfast pastries, morning and evening break refreshments, lunch, PDH certificate and \$100 drawing (attendees only). Fee for one attendee person is \$150. If two or more attendees come from the same company or organization the fee is \$125 per person. ASCE members (if ASCE is the co-sponsor) and NASTT members have a special fee of \$100 each when requested. Exhibit tables cost \$675 for NASTT Members and \$775 for Non Members and this includes one person to attend. Food Sponsorships cost \$650 for NASTT Members and \$750 for Non Members and this includes one person to attend. Extra Exhibitors or Extra Food Sponsor persons cost \$175 each. Limited scholarships for Municipal people are available upon request by contacting Leonard Ingram at (334) 872-1012. Registration fees are refunded for cancellations for any reason.

PDH CREDITS: Seminar Completion offers a Certificate and Professional Development Hours of Continuing Education Credit (PDHs) once the program is finalized.

CASH DRAWING: Drawing for a One Hundred Dollar Bill - attendees only and they must be present.

TO REGISTER: Online registration for Presenters, Exhibitors, Food Sponsors or Attendees will be available at <https://mstt.org> next week or call Leonard Ingram at (334) 872-1012 or email leonard@engconco.com that you are interested and you will be contacted. Invoice billing, check or credit card payment available.

SEMINAR PRESENTATIONS WILL DISCUSS A WIDE VARIETY OF TRENCHLESS TECHNOLOGY ITEMS INCLUDING MOST OF THE FOLLOWING SUBJECTS AND MORE: NASTT Education Efforts, Sewer Line Rehabilitation, Water Line Rehabilitation, Manhole Rehabilitation, Cured In Place Pipe Renewal (CIPP), Root Control, Point Repair, Collector System Evaluation, Video Inspection, Internal Joint Seals, Thermoformed PVC Pipelining, Clay Pipe Microtunneling, Pilot Tube Microtunneling, Horizontal Directional Drilling (HDD), Pipe Bursting, Underground Structure Rehab, Bypass Pumping, Chemical Grouting, Lateral Lining, Lateral Replacement and the Trenchless Technology Center. Also presented will be the Buried Asset Management Institute-International (BAMI-I) Certification in Training of Asset Management" (CTAM) Program.

THIS SEMINAR will be similar to the seminar held in Omaha NE in December of 2020. Please go to <https://www.mstt.org/seminar/past-seminars/> to review the Omaha NE seminar.

Please go to www.mstt.org to view our seminar program and/or to register online.

THANKS FOR YOUR SUPPORT!
