

ATTENDEES, EXHIBITORS, FOOD SPONSORS & PRESENTERS:

REGISTER NOW!

Thanks For Your Support!

We are conducting a one day **Midwest Society for Trenchless Technology (MSTT) "Trenchless Technology, SSES and Buried Asset Management"** seminar in **Cincinnati OH** to be held on **Wednesday, May 11, 2022**.

Guest Presenter: Ms. Maureen Richard, PE, Principal Engineer, MSDGC Wastewater Collection Division, Asset Renewal Group (Repair/Rehab), City of Cincinnati OH with the presentation "**Mainline Sewer Rehabilitation Program, MSD Cincinnati**".

We also are planning to have **ASCE Cincinnati Branch and/or APWA Ohio Chapter** to be the seminar co sponsor (\$). The seminar will offer PDHs. It should be a lot of fun visiting Cincinnati while learning about trenchless technology in the Cincinnati area.

Online registration will be available later this week at www.mstt.org under "CURRENT SEMINAR". Downtown venue to be announced next week. Masks are optional and Social Distancing will be available if necessary.

The one day seminar format only provides **14 one half hour presentation slots and 4 food sponsorships**. These are generally on a first come basis. **Exhibitors (\$575) and Food Sponsors (\$550)**, please let me know if you want **to participate** with the seminar by **return email ASAP**. There is no charge if you register and cannot attend for any reason.

Please go to www.mstt.org to review the **MASTT, MSTT & SESTT Proposed 2022 Seminar and Journal Schedule**. Your support with the Seminars and Journals is very much appreciated!

Stay Safe!
